Application for Building/Electrical/Zoning Approval

CONSTRUCTION DOCUMENTATION

Where the Ohio Building Code (OBC), as amended, applicable under Code Sections 104.2.1.1 and Code Section 105.1 o OBC – Approvals Required – any owner or authorized agent who intends to construction, enlarge, alter, repair, move, or change the occupancy of a building or structure, or portion thereof, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required approval.

The plans and specifications for the above reference project are submitted herewith for examination and approval. The signature and stamp below certifies that I have prepared the plans and specifications to conform with the requirements of the Ohio Building Code (OBC) and Chapters 3781 and 3791 of the Ohio Revised Code.
